Number 1
14th September 2012

Dear parent,

It has been lovely to see children returning to school after their many adventures over the summer. They have shared lots of news about holidays, the Olympics and the exciting things they have done!

Classes have been busily appointing their class representatives for school council and meetings are currently being arranged. The children will be involved in discussions around the proposed academy conversion together with a whole range of other aspects of school life and the curriculum that will help us decide on the way forward.

Our results in July for children in all year groups made us very proud, and we are pleased to let you know that standards are as high as they have been.

The school diary has been finalised and every parent should have received a copy of it. We look forward to working with you over the coming months, and sharing exciting events and opportunities with you.

Wendy Angus

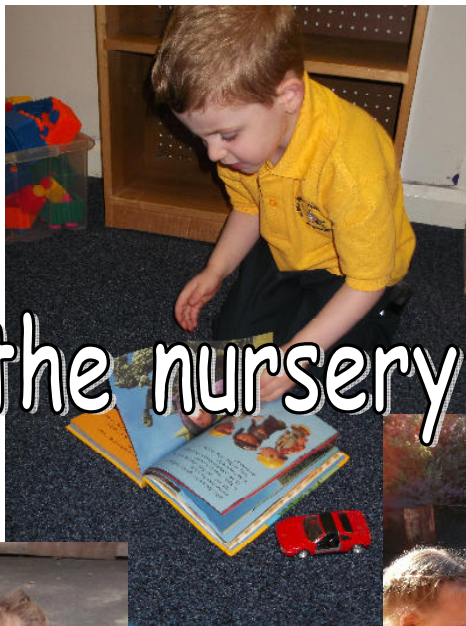

Welcome to reception
