Mrs Angus's message...

Number 12  
6th March 2015

Dear parent,

We hope that parents and families enjoyed the half term break. Many thanks to teachers in years 1 and 2 for the time they have taken to write each child's mid year report. As we look at children's books almost weekly, it was lovely to read the confirmation of the great progress and high standards seen in their work books. I know that parents will enjoy taking time to browse through their child's books at the parent meetings next week. Please find below a reminder about appointments, with specific days and times for each class in the boxes below.

Year 1 children enjoyed a visit from the fire brigade, particularly enjoying squirting the hoses! Class 9 were very fortunate to enjoy a visit from 'Team Reptile' on Friday—thank you to Louis's parents for this opportunity.

I am certain parents will have observed the installation of the barrier, which is in place for the safety of children and to ensure that unauthorised vehicles are not allowed on the school site. Parents/grandparents who have disability badges are reminded to use the intercom system to continue to gain access at the appropriate times.

We look forward to class assemblies in the coming weeks with class 5's assembly taking place next Friday. **Year 1 are planning an 'India' day on 25th March** (nothing needed for this).

Best wishes

Wendy Angus

*We welcomed Dusc dance group from Sunderland University. They performed for year 1 and 2 children in school. Roald Dahl was the inspiration behind their performance. We would like to say THANK YOU!*

# Fire, fire... Diall 999

Year 1 classes enjoyed speaking to a team of firemen who visited school last week. The hoses and siren were a particular attraction! The children asked many sensible questions about their role in safety and saving lives and told the officer about the practices we have in school to make certain we can evacuate the building in the shortest possible time.

## SOFIA

Supporters of FISA met this evening in school. They are planning an EASTER EGG competition. Children may decorate eggs at home, bringing them to school on Wednesday 1st April to be judged.

There will be a prize for each class winner.

## NEXT MEETING:

3.30pm 27th March in the school hall.

## Class 9 are visited by Team Reptile...

*Happy Birthday Louis!*

## PLEASE HELP

We are collecting Sainsbury's vouchers...

Last week class 5 enjoyed learning how to measure capacity accurately.

## February Birthdays Up to 4.3.2015

Congratulations children. We hope you have a very enjoyable day!

- Poppy Henderson
- Lauren Porter Bland
