

Little Miller's News

New friends...

Number 13
12th April 2013

Enjoy our art work!

This week, on our return to school, we were joined by an unusual visitor! A ginger nut ranger escaped from a neighbouring garden and loved all the attention received. In fact, it returned to this new haunt on Tuesday and Wednesday! Thank you Carrie for sharing the breed with us! We were also given 6 newly laid eggs which we plan to use in cookery!

The Newsletter of Fulwell Infant School Academy Mrs Angus's message...

Dear parent,

We hope all families enjoyed the Easter holiday and enjoyed a well earned break. Children have returned to school refreshed and ready for the challenges ahead this term. May will see year 2 children and staff completing the end of key stage assessments. Reception children will also complete their assessments. The standards achieved by both year groups in the spring term were high and very promising.

Continued hard work will ensure they are fulfilled.

This will be a very busy term in school. We plan to hold a school dance festival in June, a summer fayre, a science week and a sports week. We also have three class assemblies remaining to enjoy and a leavers concert for year 2 children. More news on these events, plus many more will follow.

During the summer break, we plan to refurbish year 1 and 2 classrooms and shared areas. The school council will be involved with this, together with completing their work on the school playground. The zoning of the playground is planned for the bank holiday weekend. The school council are enjoying spending the money.

Wendy Angus

After School Clubs

Thank you to parents for attending the parent meetings in the last week of term. We do apologise to parents who had to manage appointments on the same day for Junior children. We will endeavour not to let this happen again by holding them in different weeks.

Coming soon...

Towards the end of this term, we plan to have afternoon sessions for children to share their books with parents. Although teaching staff will not be involved in these meetings, the children will take great delight in showing parents and talking to them about their learning...

Classroom project...

Staff are very excited at the prospect of increasing the size of each classroom in year 1 and 2. Although plans are at an early stage, we hope that each classroom will be completely re-vamped over the summer and provide a very natural, calm learning environment in September. We plan to share the communal areas between classrooms, making each classroom a self-contained unit with walls and doors. Furniture will be replaced and rooms decorated and re-floored. Each classroom will have its own, small practical area.

An example, from Barnes Infants, of the type of classroom we are looking to develop.

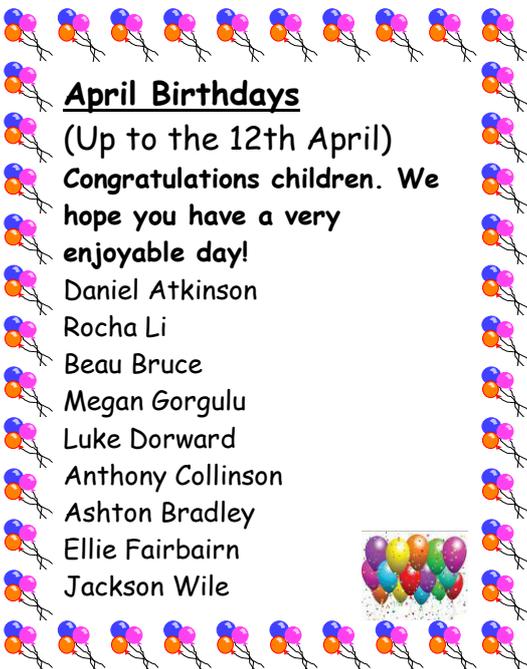

Please remember LUNCH MONEY must be paid on a MONDAY! Thank you.

Please help!

We are still collecting SAINSBURY'S vouchers.

April Birthdays

(Up to the 12th April)

Congratulations children. We hope you have a very enjoyable day!
