Mrs Angus's message...

Number 13
20th March 2015

Dear parent,

A reminder, Year 1 are planning an 'India' day on 25th March (nothing needed for this).

Thank you to all parents for attending our parental consultations this week. Thank you to staff for whom it has been a very tiring week, with meetings until 6pm. Miraculously, teaching staff do seem to still have a voice! It has been a pleasure to see the children's progress in their books and we are very proud of the high standards they are achieving.

Year 2 gymnasts took part in a competition at Academy 360 earlier in the week. The children performed very well indeed and coped well with the busy event as children performed their routines in the gym. We don't know whether they won any of the events, but do know how much they enjoyed participating in it. Well done team!

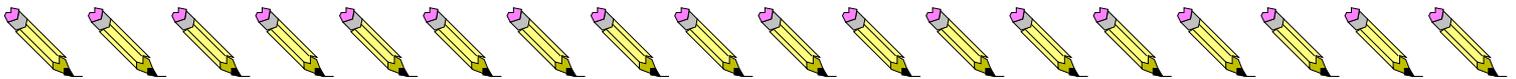

This week class 7 are performing their assembly for parents. I must apologise to parents of class 5 as I missed their assembly last Friday. Unfortunately, it has meant we don't have a recording of it for the website.

As Easter approaches we are preparing to replace the flooring in class 9 and to provide some additional storage in the school office. This work will be complete over the holiday. There will be no further work on the heating system until after the holiday. We are at a point now where the heating has to be switched off for boiler replacements to happen. We are hoping this will begin in May.

Many, many thanks to everyone (staff and parents) for their donations for comic relief. Our cheque is for **£716**—an amazing contribution.

Best wishes

Wendy Angus

Wow!

Just look at Class 2's fantastic observational art work and reception writing.

RED NOSE DAY FUN!

We all enjoyed red nose day and were thrilled to raise £716 from selling red noses and non uniform contributions. THANK YOU Mum's and Dad's for your support.

PARKING
Parents are reminded that they must not park in the doctors car park or Peter Stracey House. We had a visit from the police today re this issue.

Some Year 2 children entered a gymnastics competition held at Academy 360 this week. We were very proud of their efforts.
