## The Newsletter of Fulwell Infant School Mrs Angus's message...

Number 2  
28th September 2012

Dear parent,

It has been an exciting first four weeks back at school. This weeks extreme weather conditions caused us to search for solutions to on-going issues with flooding in the play-ground. Many thanks to Mr Belmont for his offer of support—we look forward to resolving these problems during the half term break.

Thank you also to parents who attended the academy consultation meeting, and for the written responses received. Consultations with staff have also been concluded, and the children are very keen to become an academy! As discussions have been held, the reasons for becoming an academy are even clearer and we look forward to this happening in December.

Year 2 children were very lucky in not experiencing any rain on their visit to Barnes Park last Friday. Rumour has it, they actually heard wolves howling in the woods...! They are still talking about the visit with great excitement, as you can see in the photographs below.

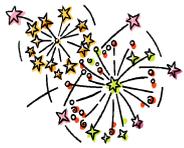

Wendy Angus

Year 2 visited Barnes Park...

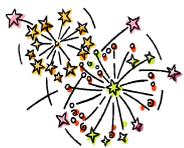

We enjoy lunch at school!

## Golden book

When we have worked hard or done something very special, our names go into the golden book. Four of class 4 were very creative in their apparatus lesson and their names went into our special book.

Coming Events:	
10th October	6pm Reception parents curriculum
17th October	Children's individual photographs
17th October	6pm phonics, reading and maths meeting.
<i>Please come!</i>
