Mrs Angus's message...

 Dear parent,
 I hope everyone had an enjoyable Easter break. The children certainly came back to school full of excitement and stories of the things they did over the Easter holidays! Easter in school has also been very busy. Classes 4 and 6 together with classes 3 and 1 have had their windows replaced and a door fitted to allow them direct access to the outdoor area during the school day. This has enabled us to remove the dangerous low opening windows from these classes. Additionally, classes 7 and 8 have been extended and separated. They now include the area taken up by year 1 cloakroom and a huge storage cupboard. The children were thrilled on Monday morning, as the pictures over leaf show. They now each have a super classroom with mini IT suite, new flooring, new ceilings and lighting. This was a huge job to complete over Easter. My thanks to the staff who spent Friday and Saturday putting the classrooms back together again!
 In the coming weeks we have an art exhibition to look forward to. Every child has completed a piece of art—all will be available for parents to view, along with the new classrooms.
 Confirmed dates for this will follow shortly.

Great excitement—the children of classes 7 and 8 enjoy their new classrooms!

Year 2 visited Durham cathedral. They had a great day—as the pictures show!

We are still collecting the following vouchers:

- Sainsbury's active kids vouchers

If you are able to support us with these, they will be greatly appreciated! Please send vouchers in with your child.

Thank you to the craft group who continue to meet each Friday afternoon, supporting children with their panels and helping to prepare the materials to go out to them. Fay's Mum and Dad have designed the central panel which includes the school, windmill and the sea front—a fantastic representation of what is important to Fulwell children. We are hoping it will be completed in May, but there is much left to do!

Coming Events:

- 24th April 2012 Year 1 visit from fire brigade
- 27th April 2012 9.00am Class 9 assembly
