Mrs Angus's message...

Number 5
15th November 2013

Dear parents,

Thank you to all parents who attended our 'settling in' parents meetings this week. A very warm welcome to reception parents, especially those for whom this is their first meeting. Children have settled very quickly, absorbing the class rules and responding well to their new teachers high expectations. You will be offered a longer appointment in March, where books will be available. This will follow mid-year reports for Year 1 and 2 classes. There will also be an opportunity in the summer term to share your child's books with them. We look forward to these occasions.

Christmas shoe boxes will be collected on 21st November. Please send in by the 20th if you wish to take part.

Today, the children enjoyed 'spotty day' and looked wonderful in their chosen outfits. We will enjoy a visit from Pudsey bear next week... Thank you for all donations made. The total was £336.10 . Thank you very much for this.

Wendy Angus

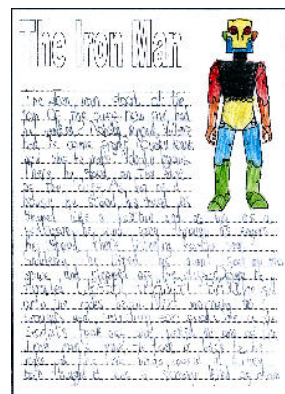

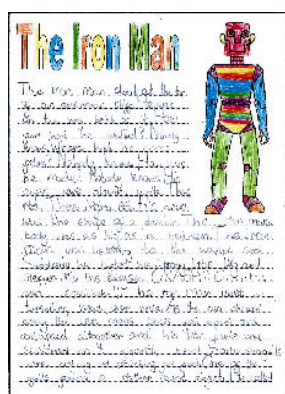

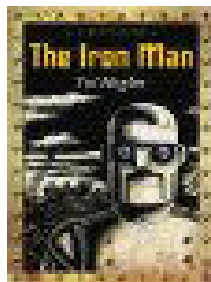

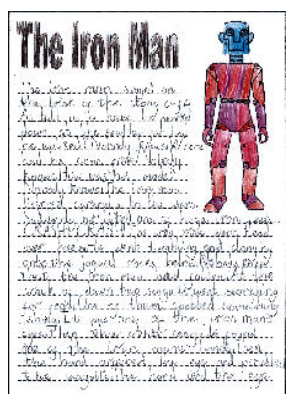

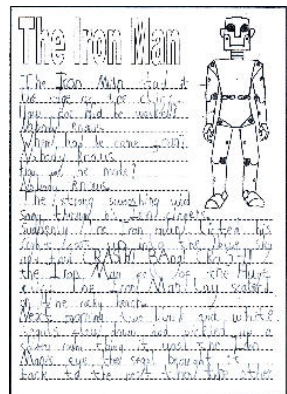

A 'smart' table causes great interest in nursery and reception classes....

This week we borrowed a 'smart' table, to trial with children in both nursery and reception classes. This is almost like a large IPAD that can be wheeled from classroom to classroom. It is completely interactive and was welcomed by the children. It provided a fantastic learning resource, encouraging the children to collaborate and work together. They have enjoyed opportunities to solve problems, investigate and even practice their formation of letters. The children say they LOVE this. Staff are currently deciding whether this is a purchase we feel will advantage our children as part of their learning experience... More information will follow if we decide to invest in one.

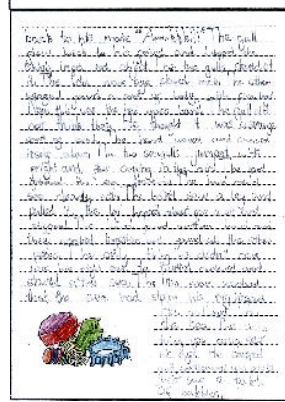

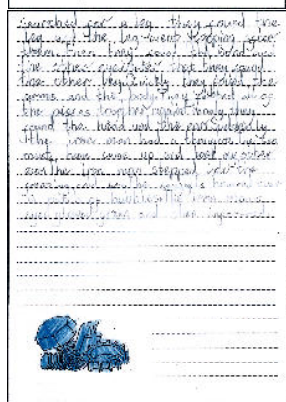

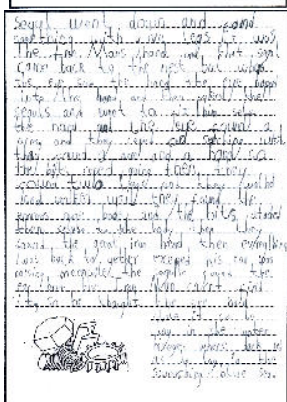

Year 2 and the Iron Man (by Ted Hughes)

Some of our Year 2 children have enjoyed writing about the Iron Man. This very challenging text has produced some wonderful writing, some of which you can enjoy below. More is now displayed in the main entrance of school...

Wow...
What
Writing!
