Friends of the school...

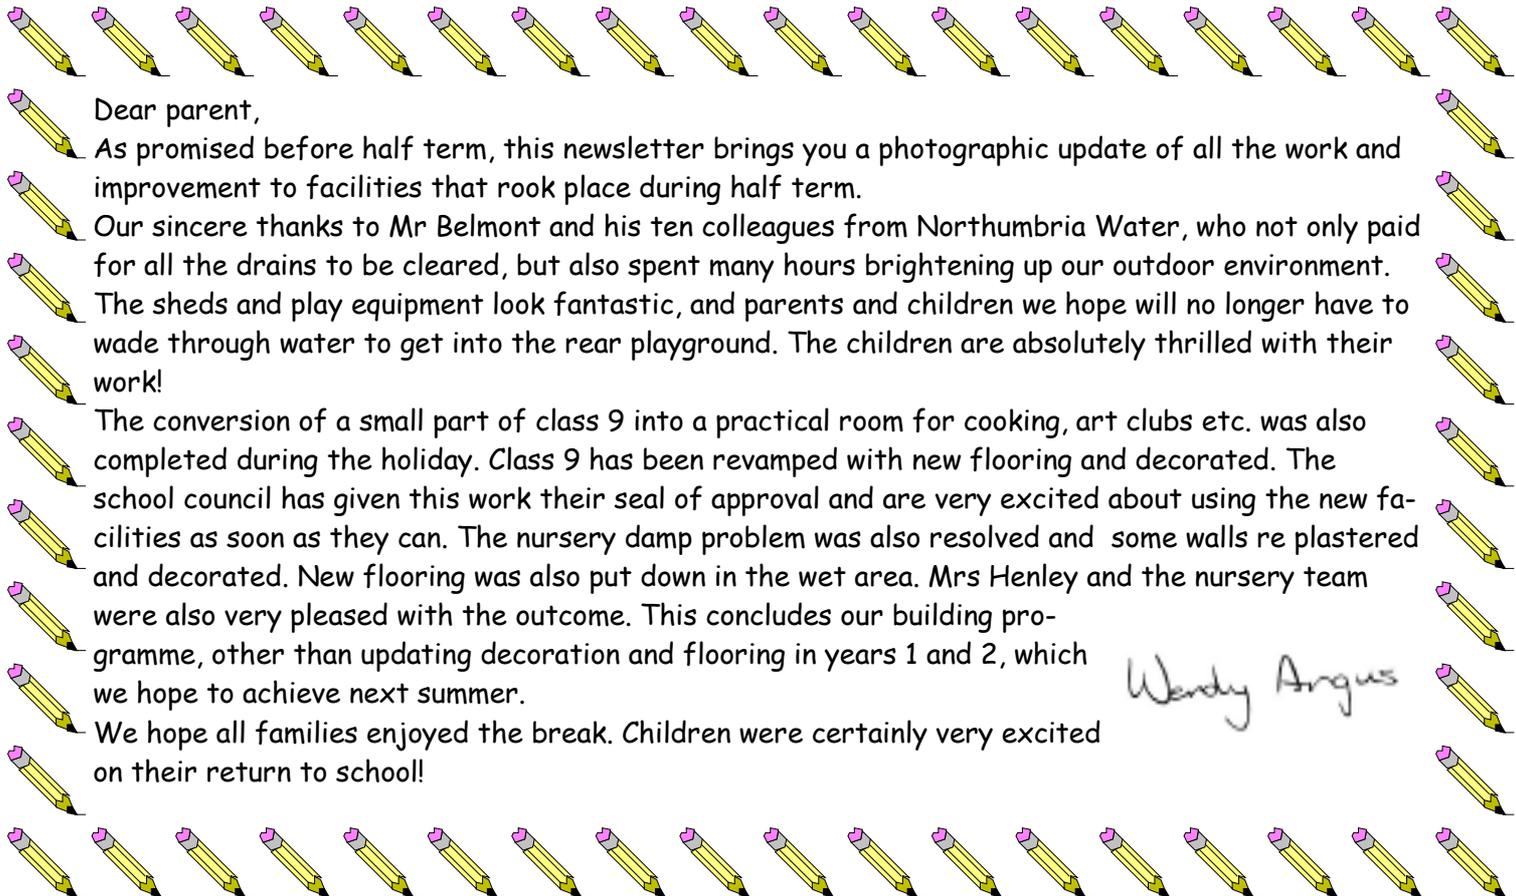

The Giving Machine

Fulwell Infant School is now registered with 'The Giving Machine'. This is a non-profit making website which raises money for schools and charities. Every time you shop on line with many of your usual retailers, they will give a free donation to the school. It doesn't cost you any more. All you have to do is register as a giver at www.The Giving Machine.co.uk

Friends of the School

We would like to invite you to an informal gathering of parents/ grandparents who would be interested in resurrecting the 'Friends of Fulwell Infant School' on Wednesday 21st November at 2.30pm. Teas and coffee will be available.

Please help!

Dear parent,

As promised before half term, this newsletter brings you a photographic update of all the work and improvement to facilities that took place during half term.

Our sincere thanks to Mr Belmont and his ten colleagues from Northumbria Water, who not only paid for all the drains to be cleared, but also spent many hours brightening up our outdoor environment. The sheds and play equipment look fantastic, and parents and children we hope will no longer have to wade through water to get into the rear playground. The children are absolutely thrilled with their work!

The conversion of a small part of class 9 into a practical room for cooking, art clubs etc. was also completed during the holiday. Class 9 has been revamped with new flooring and decorated. The school council has given this work their seal of approval and are very excited about using the new facilities as soon as they can. The nursery damp problem was also resolved and some walls re-plastered and decorated. New flooring was also put down in the wet area. Mrs Henley and the nursery team were also very pleased with the outcome. This concludes our building programme, other than updating decoration and flooring in years 1 and 2, which we hope to achieve next summer.

We hope all families enjoyed the break. Children were certainly very excited on their return to school!

Wendy Angus

Academy update..

Fulwell Infant School Academy was listed as a limited company at Companies House on 1st November 2012.

We are on track for the planned 1st December launch... Please remember to contact school if you have any further questions.

SCHOOL MEALS

We will continue to use City of Sunderland as school meals provider, offering children a nutritionally healthy, balanced meal at lunch time.

We are collecting tokens from Nestle cereal boxes to exchange for lots of exciting new book titles and more of our favourite books. Your support with this would be really appreciated.

Nestle tokens..

Building work update..

REMINDER

Please can we remind you that **NO DOGS ARE ALLOWED ON THE SCHOOL SITE** and we do ask that you keep them away from the school entrance as we have a number of children with allergies or fear of dogs.

However if you need to bring your dog to school and need to tether them, please use the 'car park' gate.

Shoe box appeal

Thank you for all donations—over 100 shoe boxes received!

November Birthdays (up to 30th November)

Congratulations children. We hope you have a very enjoyable day!
