

# Little Miller's News

The Newsletter of **Fulwell Infant School**  
Mrs Angus's message...

Number 8  
11th January 2013

Dear parent,

This week we have welcomed back children to school- they have clearly enjoyed all the Christmas festivities and were very excited to share their news in class! We would like to wish everyone associated with school a very happy new year as the spring term begins. We hope that all staff have had a restful Christmas and recovered from all the illnesses that were around before Christmas. We are hoping for a healthy new year!

Both myself and the governing body would like to welcome Lynn Green to the excellent teaching team- you will have many opportunities to meet Lynn in the coming weeks and months.

This term is one in which children continue to work hard and make a great deal of progress with few distractions. There will be parent interviews and the opportunity for you to review your child's work together with a mid year report for children in key stage 1 (years 1 and 2).

Wendy Angus

## Happy New Year!

This week our many after school clubs began— cookery was added to an already packed programme!

**We love cooking!**

**and dancing!**

### Website information...

Please visit our website. The information is regularly being updated. Next week there will be information added for parents of children in both nursery and reception classes on the curriculum.

[www.fulwellinfant.org.uk](http://www.fulwellinfant.org.uk)

# Attendance information

As parents are aware, attendance at school is monitored rigorously. This is a government requirement. As we monitored attendance before Christmas, we were concerned by the absences of a few children. Whilst aware of the impact of a range of winter viruses, we will be contacting parents where children's attendance drops below 85%.

Year 2 design their own 'Wild Things'...

Please remember LUNCH MONEY for this term—£81 to Easter, if paid on 14th January 2013.

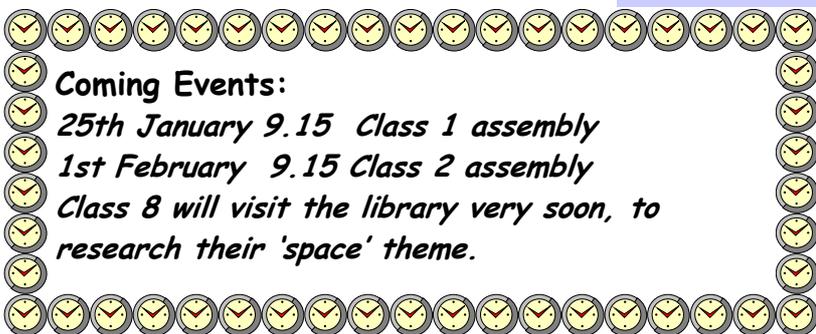

School at work and play! Happy New Year...

January Birthdays (from 5th to 26th January)

Congratulations children. We hope you have a very enjoyable day!

- James Anderson
- Hannah Clark
- Sam Parks
- Edward Gray
- Olivia Lynas
- Owen Marshall
- Amelia Trinder
- Amelia Rowan
- Max Hadaway
- Kieron Pallas
- Miles Johnson
- Millie Mason

## Coming Events:

25th January 9.15 Class 1 assembly

1st February 9.15 Class 2 assembly

Class 8 will visit the library very soon, to research their 'space' theme.
