Mrs Angus's message...

HAPPY NEW YEAR...

Number 9
16th January 2015

It's a new world in nursery... We LOVE it!

Dear parent,

We would like to wish all families a happy new year. It was lovely to see lots of happy children return to school last Monday, Nursery children and parents welcomed Mrs Bell to the nursery classroom. The children quickly settled again into new routines. Mrs Bell and the nursery team have ordered lots of new furniture which arrived on Tuesday this week. This was quickly assembled and placed in nursery, creating an exciting new learning environment. The children (and staff) are very excited. During February half term, the nursery flooring will be replaced with the wooden flooring that we have in classrooms in school. Once the heating system, and radiators are finished, probably in the summer term, the nursery will be re decorated. The children will have lots of new resources to play with over the coming weeks. This will conclude our development of the building.

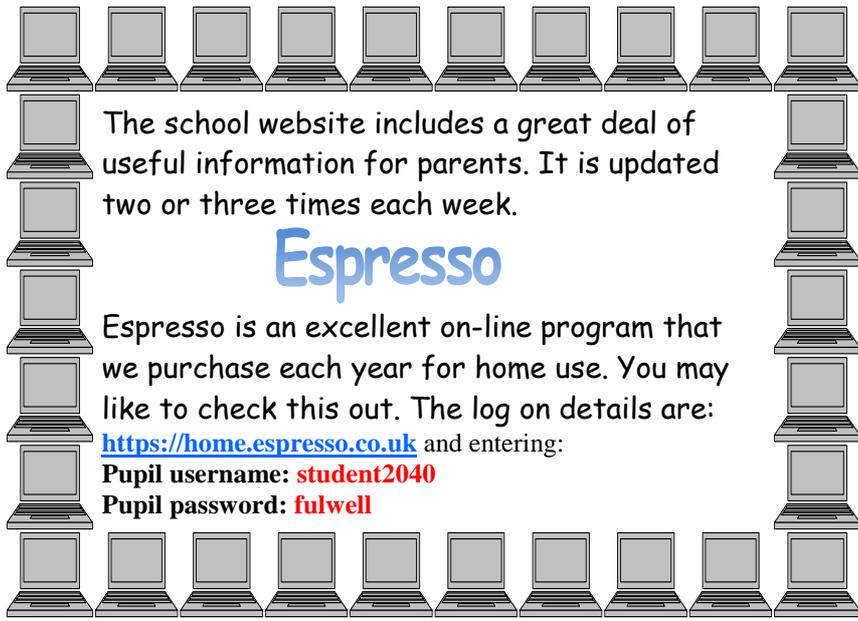

We are delighted to be able to tell you that school was assessed for artsmark gold in December. The hard work and creativity of all staff and children enabled us to be successful in achieving this award.

A barrier to the school car park will be installed during February half term. Parents are reminded that parking in the doctors car park for the collection of children is not allowed.

We look forward to the commencement of class assemblies over the next few weeks and welcoming parents and grandparents to share these occasions with us.

Wendy Angus

The school website includes a great deal of useful information for parents. It is updated two or three times each week.

Espresso

Espresso is an excellent on-line program that we purchase each year for home use. You may like to check this out. The log on details are:

<https://home.espresso.co.uk> and entering:

Pupil username: **student2040**

Pupil password: **fulwell**

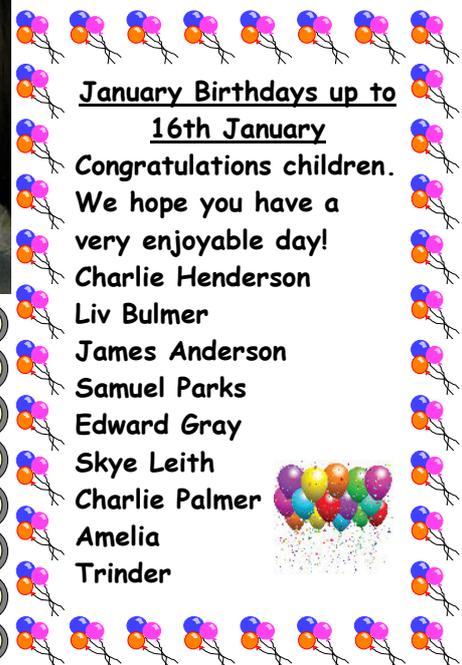

We are all very proud of Louis in class 5. Before Christmas, Louis was very concerned about people who have nowhere to live. He worked really hard to gather together lots of things for the homeless and took them to Centrepoint. He received a certificate in appreciation of his work.

www.fulwellinfant.org.uk/

During the weeks before Christmas, we were assessed for artsmark gold and were successful! This week Richard Avenue Primary School assessed our work on anti bullying. The children led this assessment and we were very pleased to discover we had achieved anti-bullying gold award.

January Birthdays up to 16th January

Congratulations children.

We hope you have a very enjoyable day!
