This risk assessment becomes active from September 2020 following the full re- opening of school.

The risk assessment will be continuously under review throughout each day and provision will be adjusted to respond to any emerging issue. Safeguarding adults and children is woven throughout this document and is of the highest priority in all aspects of our work. The risk assessment applies to all school staff, pupils, parents and visitors to school.

Should a local outbreak of COVID-19 result in a school closure, the previous lock down risk assessment will apply until the school re opens. At all times, guidance and advice from Public Health England will be followed.
