15-16	Urgent Action
20-25	Stop

The school has been closed to all pupils with the exception of the children of keyworkers, pupils who have an EHCP and those deemed vulnerable through having support through Children's Services as outlined in the guidance from the Department for Education (DfE) and Public Health England (PHE). -[Critical Workers who can access schools occupational settings](#)

School welcomed back children from Nursery, reception and year 1 from 8th June 2020. Year 2 children returned full time for the last week of term. The comprehensive measures put in place were successful and have been developed further in this risk assessment to welcome back all children. (COVID-19) Implementing protective measures in education and childcare settings

The School are also following the DfE guidance: [Actions for schools during the coronavirus outbreak](#)

The School have adopted the guidance provided in the DfE and PHE [Coronavirus \(COVID-19\) guidance for educational settings](#)

The School have staff and pupils who have been identified as clinically extremely vulnerable and are following the guidance from the DfE and PHE; [Guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19.](#)

Where need identified staff members continue to work at home.

The School have also identified staff and pupils that are clinically vulnerable and are following the guidance from the Cabinet Office; [Staying at home and away from others \(social distancing\)](#) (Point 6). Where need identified individual risk assessments will be completed for identified staff members.

The School are maintaining a register of all clinically extremely vulnerable and clinically vulnerable staff and pupils and regular contact is undertaken to check on their wellbeing.

Staff, Parents and Carers who are in school are regularly reminded to stay at home if they are experiencing signs of illness out lined in the [guidance from the NHS.](#)

Where need is identified for relevant pupils the School are following the DfE Guidance for [Conducting a SEND risk assessment during the coronavirus outbreak.](#)

The School are following the guidance [COVID-19: Cleaning of non-healthcare settings](#)

The School have considered the guidance provided by the DfE- [Opening schools for more children and young people :initial planning framework for schools in England](#) and [Planning guidance for primary schools](#)

Parents/Carers are reminded of the latest guidance from the NHS/PHE and the DfE on a regular basis via the School communication links.

PHE have a dedicated helpline number for education and children's social care related queries for anyone working in early years through to universities, plus parents- 0800 046 8687 - 8am to 6pm (Monday to Friday) or 10am to 4pm (Saturday to Sunday)

Sunderland Local Authority are working with partner agencies and following national guidance.

For further advice and support contact the Children & Young People's/Adult & Health Services ,Health and Safety Team

This risk assessment becomes active from 8th March 2021.

The risk assessment will be continuously under review throughout each day and provision will be adjusted to respond to any emerging issue. Safeguarding adults and children is woven throughout this document and is of the highest priority in all aspects of our work. The risk assessment applies to all school staff, pupils, parents and visitors to school.

Should a local outbreak of COVID-19 result in a school closure, the previous lock down risk assessment will apply until the school re opens. At all times, guidance and advice from Public Health England will be followed.

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
<p>HAZARD: Death or serious illness to staff members, children and families.</p> <p>INFECTION CONTROLS</p> <p>Minimising the SPREAD of Coronavirus (COVID-19) to the school community.</p>	<p>All children returned to the school site from 8th March 2021, with controls in place:</p> <p>Minimise Contact - (avoid contact with anyone with symptoms or signs of infection)</p> <ul style="list-style-type: none"> • People who have 1 or more symptom of Covid, have tested positive or a member of their household (or support/childcare bubble) has Covid-19 symptoms must not come into school. Persons who are ill must stay home and follow current government guidance on self-isolation. • Parents/Carers are asked to notify school immediately they arrange a test and keep their child at home until the test result is known, for any family member. They must follow the current self-isolation guidelines if testing positive. • Staff members MUST remain at home and secure a PCR test if they have any of the following symptoms: <ul style="list-style-type: none"> • A high temperature • A new continuous cough • Loss of/change to taste or smell 	4	5	20	<ul style="list-style-type: none"> • Head teacher to remind parents/carers and staff via newsletters etc. that where children or a member of their household displays symptoms of the COVID-19, they are to follow the Guidance for households with possible coronavirus infection. • Parents/Carers and Staff advised to report to the school any symptoms of COVID 19 that their household may have and immediately arrange a PCR test. • Families and their support bubble have free access to twice weekly lateral flow tests from 1st March. • Staff and pupils temperatures will be checked each morning before they are allowed on to the premises by hand held thermometers which read from the forehead. • If pupil or staff member has a temperature of 37.8 or above the parent will be asked to take them 	2	5	10	<p>Head teacher Deputy Teachers TA's Lunch staff Premises Manager Cleaners Admin staff Daily</p>

	<ul style="list-style-type: none"> Children developing a rash, or with other symptoms that are emerging as 'signs' of COVID in children, will be isolated in the IT suite and sent home. (Rash, tummy upset, sore throat or any symptom above etc.) Staff supervising will wear full PPE (mask, visor, gloves, and apron). Staff will remain 2m+ away from the child and the IT suite door will be closed. Full PPE, including plastic gloves and aprons, in addition to face shields must be worn when providing intimate care. Parents advised that they must NOT bring a child who is unwell (any symptoms) to school. Staff must follow government guidance on close contacts should the isolated pupil test positive or Staff members are contacted by Test & Trace Promote frequent hand cleaning and good hygiene practices including respiratory hygiene "catch it, bin it, kill it", not touching faces, nose, mouth, lidded bins. Washing hands before and after eating, on entry to school, before break time, before home time and after outdoor time. 	4	5	20	<p>home immediately to self-isolate and arrange a test. Staff will go home.</p> <ul style="list-style-type: none"> Pupils and Staff displaying symptoms will not be permitted into school until <u>10 day isolation completed.</u> (The first day of isolation is day zero, isolation finishes at midnight on the tenth day with a return to school possible, if well, on day eleven) Staff members are required to wear face coverings at all times when moving around school and in close proximity to others. <ul style="list-style-type: none"> Soap dispensers and paper towels are provided in classrooms so that children can wash hands after sneezing/ coughing etc. Each classroom has hand sanitizer available (70%+ alcohol) Staff rehearse hand washing with children daily. Children reminded about toilet flushing and expected hygiene 	2	5	10	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
	<ul style="list-style-type: none"> • Sufficient hand washing facilities available. Hand sanitisers (70%+ alcohol) available in the library, toilets, kitchen area, front entrance and teaching areas. Hand washing sinks in all teaching areas except the library. • Children will be encouraged to practice good and regular hygiene habits. • Lidded bins are in place in all teaching areas. Contents will be emptied at the end of the day. • Regular and increased cleaning - cleaning of frequently touched surfaces with zoflora solution. • Additional cleaning through service level agreement with Sunderland LA through SLA documentation. • The isolation room will be cleaned before re-use by a trained member of staff using PPE-face coverings, apron and gloves or where possible the room/area can be locked up/allow no access for 72 hours before cleaning. • Active engagement with NHS test, track and trace for all 	4	5	20	<p>standards at least weekly.</p> <ul style="list-style-type: none"> • Additional cleaning ensures mid-day cleaning of children's toilet areas. • Caretaker will check toilet cleanliness mid-morning and address any issues. • Children will have access to a small number of toys for use outdoors. • These will be cleaned daily after use by teaching staff, using disinfectant hand wipes. • Cleaning products used are zoflora, disinfectant wipes and disinfectant spray, all are COSHH assessed, are readily available in the immediate area of the classroom/toilet areas for spot cleaning (sanitising wipes) • COSHH assessments are completed by trained member of staff and records available in the main office. • Cleaning products are stored in locked cupboard and COSHH assessed. • A column added to the visitor/trades person signing in book to record visitor mobile number will be recorded for contact for test, track and trace. 	2	5	10	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
	essential visitors/trade persons.	4	5	20	<ul style="list-style-type: none"> There will be NO non-essential visitors to the school. Trade persons attending the school site to complete statutory testing to be permitted on site. Appointments to be made outside of school hours unless in an emergency. Visitors/trade persons are always supervised whilst on the school site. Social distancing and face coverings (mask or face shield) must be maintained. 	2	5	10	
HAZARD: Death or serious illness to staff members, children and families. VULNERABLE WORKERS	<ul style="list-style-type: none"> All clinically extremely vulnerable and vulnerable workers will be identified and a specific risk assessment will determine suitable & safe working arrangements for each worker Pregnant workers will have the usual risk in place plus a vulnerable worker risk assessment to assess any additional health issues which may increase their risk from Covid. 	4	5	20	<ul style="list-style-type: none"> Staff members need to ensure that they wear face shield and/or face masks and gloves are provided when they judge a situation requires this. Staff must keep a safe distance from others. Floor tape will be used in the classroom to mark a safe distance away from children. 	3	5	15	
HAZARD: Death or serious illness to staff members, children and families INFECTIONS OR POSITIVE	<ul style="list-style-type: none"> Regular testing of asymptomatic staff will take place twice weekly using lateral flow tests. Staff MUST have a PCR test if unwell. Any positive lateral flow tests must be immediately followed up 	4	5	20		2	5	10	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
TESTING WITHIN SCHOOL	<p>with a PCR test and the staff member and household immediately self-isolate and follow guidance.</p> <ul style="list-style-type: none"> • Lateral flow test kits are available to all staff. • Staff record their results on the Trust cloud account. • Staff follow current NHS Test & Trace process. • Contact Public Health for advice & support where there is a positive case within the school. 	4	5	20		2	5	10	
HAZARD: Death or serious illness to staff members, children and families VENTILATION	<ul style="list-style-type: none"> • Windows are opened to allow natural ventilation during the school day. Kick space heaters are available for cooler days to ensure heating remains adequate. (in cooler weather windows will be opened just enough to provide constant background ventilation and opened more fully during breaks to purge the air in the space) • Internal doors will assist with creating a throughput of air and may be propped open NOTE: fire doors must be used as designed to prevent spread of smoke and fire 	4	5	20		3	5	15	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
<p>HAZARD: Death or serious illness to staff members, children and families</p> <p>CONTACT BETWEEN ANY PERSONS ON THE PREMISES</p>	<p>All contacts will be minimised and reduced as much as possible.</p> <ul style="list-style-type: none"> Pupils are allocated into agreed and fixed groups/bubbles. Staff are able to work between pupil groups in order to provide a broad curriculum which benefits pupils future however, must be prioritized based on educational needs according to school 	4	5	20	<ul style="list-style-type: none"> Children organised into class bubbles. They will remain with their teacher, TA and lunch assistant at all times, unless operationally impossible. When a situation exists that is deemed of high importance and staffing is an issue, the following will apply: the hall will be used for a year group of 3 classes, sitting in lines forward facing, socially distanced by 3m between classes. One member of staff will supervise, from distance, with children watching an appropriate programme on the large screen. Timetabled outdoor sessions for morning break and lunch break to ensure no mixing between classes. All children to be asked to bring suitable footwear for use on the grassed areas in wet conditions. Classroom furniture will be re arranged to ensure social distancing from the teacher and where possible furniture not in use will be removed or placed around the perimeter of the class to allow as much clear floor space as possible PPE is to be worn where intimate care is provided, or the child is displaying symptoms of covid-19 until collected. Rota in place for the lunchtime period to reduce the flow of pupils in the corridor areas. Movement of a class at 	3	5	15	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
	<ul style="list-style-type: none"> Social distancing for the parent community. 	4	5	20	<p>a time.</p> <ul style="list-style-type: none"> Access to outside areas from classroom doors. Classes 8 & 10 to use central door in Reception corridor Main entrances -barrier system for vehicle entrance. There will be no entry to the car park by vehicles during drop-off and collect times. Secure main door and inner door. Parents are required to wear face masks when dropping off and collecting children and as they walk around the one-way system Parents advised via school communication links that only one parent/carer (accompanied by younger and/or older siblings who are not in school) are permitted to drop off/pick up their child. Children, Parents/Carers advised to maintain social distancing when entering the school site. A one way system is in place for parents dropping off and collecting children. Entrance via normal walkways and exit via car park which will be monitored by Premises Manager and no cars allowed in during the hours of 7.30 - 9.30am and 2.45 - 4.00pm Monday to Friday. All paths and playgrounds have safe distancing markers for parents. A footpath has been created to enable all pedestrians to follow the one way 	3	5	15	

HAZARD	What precautions or existing control measures are presently taken.	Likelihood	Severity	Risk Rating L x S	If High or Medium Risk, what additional precautions or control measures need to be taken to reduce risk to as low as.	Likelihood	Severity	Residual Risk L x S	By Whom & When
	<ul style="list-style-type: none"> Staff, where possible, are to 	4	5	20	<p>system and safely leave the school site, separately to vehicles.</p> <ul style="list-style-type: none"> The start of the school day has been staggered from 8:40 until 9:00am and from 3.00 until 3.30pm to avoid parent close contact and to allow controlled access into the school building by pupils. Parents not permitted to enter the school building unless need is essential. Staggered drop off and collection times in place from 8:40 until 9:00am and from 3.00 until 3.30pm to avoid parent close contact. Children will be dropped off and collected from classroom doors except childcare children or children where staggered entry times have been adjusted to accommodate sibling times, who will enter through the Main Entrance. Children not to bring any bags or items from home, except a coat when needed and their PE kit at the beginning of each half term. Nursery children may bring a packed lunch in a box to be placed in a tray. Receiving member of staff, wearing gloves, will wipe down each lunch container, using anti-bac wipes or spray. Staff must maintain 2m+ social distancing during breaks. At least 1m+ 	3	5	15
