Friday 14th October 2016

Present

Suri Taylor, Elliott Jackson (Class 3), Oliver Edge, Lily Smith(Class 2), Eva Henman, Joshua Pyle(Class 1), Phoebe Smith(Class 4), Isabella Hodgson(Class 5), Florence Laing(Class 6), Mrs Angus, Mrs Green

Agenda

The children completed their very impressive self-portraits for the school website - we have a school of fabulous artists!

Mrs Angus spoke to the children about the plans to update and carry out work to the Reception children's playground. She spoke about the difficulties in deciding about the type of surface we would put down - safety surface or concrete or perhaps a mixture of both. The children were asked to consider this and talk about it to their class and then bring their ideas to a meeting following the half term break. The children were also asked to think about the type of games/resources we could offer the children.

Florence expressed concern about the surface on behalf of her brother, who was now in nursery and coming into Reception next September. She wanted him to be safe and not hurt himself.

Eva was concerned if we just had concrete children would fall over and get hurt.

Oliver thought a mixture of both would be better.

Next Meeting - Friday 4th November
