Agenda

- **Welcome to our Reception Council Members**

Mrs Green welcomed the Reception children and asked if anyone in Year 2/1 could tell them a little about the role they played in school. The children were able to talk about how they helped other children, how they came to meetings and asked their friends questions for Mrs Angus. Mrs Green explained about the very important role they would play giving examples of how the children had initiated the building of a bike station, purchase of new playground equipment and then Mrs Angus talked about how the children had spoken to the Arts Mark assessor when she came into school.

- **Art Exhibition**

Mrs Green talked about the forthcoming Art exhibition and how each year group would produce their own individual pictures which would be framed. We will then hold an art exhibition and parents would be invited to view them. Each year group needed to decide upon a theme and the school council were asked to help with this decision. Mrs Green will produce a sheet where they can record their decision after questioning their class.

Mrs Angus said she would speak to the teachers on Monday and explained the children could produce paintings, or drawings or collage based on their chosen theme.

- **Dance Festival & Sports week.**

Mrs Angus said that she would invite Mrs Pickford to speak to the children about both of these events so that they can help her decide who to invite/activities for sports etc:
