Charlie explained once again what bullying was and said he didn't like it.

Mrs Green explained that we were hoping to try and gain the gold award for anti-bullying after Christmas.

- **School Behaviour Champions**

Mrs Angus asked the children if they were wearing their bibs outside. Zoe said she had and told Mrs Angus that someone had asked her for help but she couldn't help them so had directed them to a teacher. Mrs Angus confirmed that this was exactly what should be done.

Mrs Angus asked the children to be detectives and when they go back into class look for anything up relating to anti-bullying, being kind to others and where they can get help. Charlie talked about the leaflet in the hall.

- **Artsmark**

Mrs Angus asked the children if they were enjoying their arts themes this year. Year 2 children said that they were excited to be learning something new and had asked to learn how to draw people. The visit to the portrait gallery was really good. The children thought the arts award was an excellent idea and class 2 had all received a certificate.
