Mrs Angus's message...

Number 18
30th June 2017

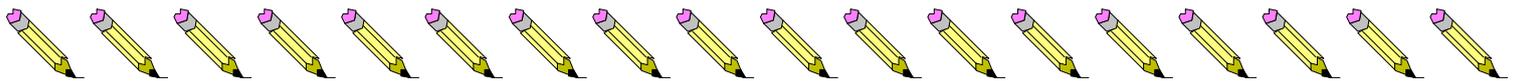

Dear parent,
The last fortnight has seen school full of parents, sharing children's work with them and enjoying concerts. It has been busy but the responses received from parents indicate just how much these opportunities are appreciated by both children and their families. I must admit, whilst peering over the shoulder of some parents, I was equally thrilled with the progress evident in books as parents looked at the first pieces of work last September, and compared it to what their child is actually doing now. My thanks to parents for their support, classroom staff for offering such a rich and exciting learning experience for the children, and, of course, to the children themselves who continue to aim high and reach for the stars every single day. It seems to me that this is the perfect recipe for success.

Year 2 children have visited Fulwell Juniors for their first induction visit. As they had been to FJS earlier this term and thoroughly enjoyed the science week visit, they were extremely keen to go again. Children in school will also find out who their teacher will be next year in the next week or so. The timing is important as we have to consider that once they are told the information, children certainly begin to wind down. This is why it will always be in July as this allows plenty of time for them to establish a relationship with their new teacher.

Thank you to SOFIA for all their hard work in a very miserable week to put on the summer fayre. It is always disappointing when this needs to be inside but unfortunately, the weather dictated this. We are hoping for improved conditions next week as sports week approaches. ALL children attend school next week in sports kit.

Wendy Angus

Do you like our hall celebration of year 1 writing? Thank you Mrs Cowley for creating the backdrop for us.

Last Thursday and Friday, year 1 children held their concert for parents. They all absolutely enjoyed this occasion, as did mum's and dad's. Dr Renwick has certainly enjoyed his first two terms at Fulwell Infants and we were amazed at the high standard of performance and sheer enjoyment.

Mums and Dads shared our progress this year in meetings over the last 2 weeks. They were very impressed with the improvement that could be seen in our books.

Year 2 Art club travelled to Sunderland University Priestman building to see Mrs Cowley's art work on display as she completed her fine Art degree. We were all amazed at the work we saw and I certainly felt very envious of the talent amongst the students.

Coming Events

- 3.7.2017 2pm Nursery concert Early Reds and PM's concert
- 5.7.2017 Sports day
- 6.7.2017 Olympic day- 12x year 2 children at Monkwearmouth (PM)
