The Newsletter of **Fulwell Infant School Academy**

Mrs Angus's message...

Number 7  
1st December 2017

Dear parents,

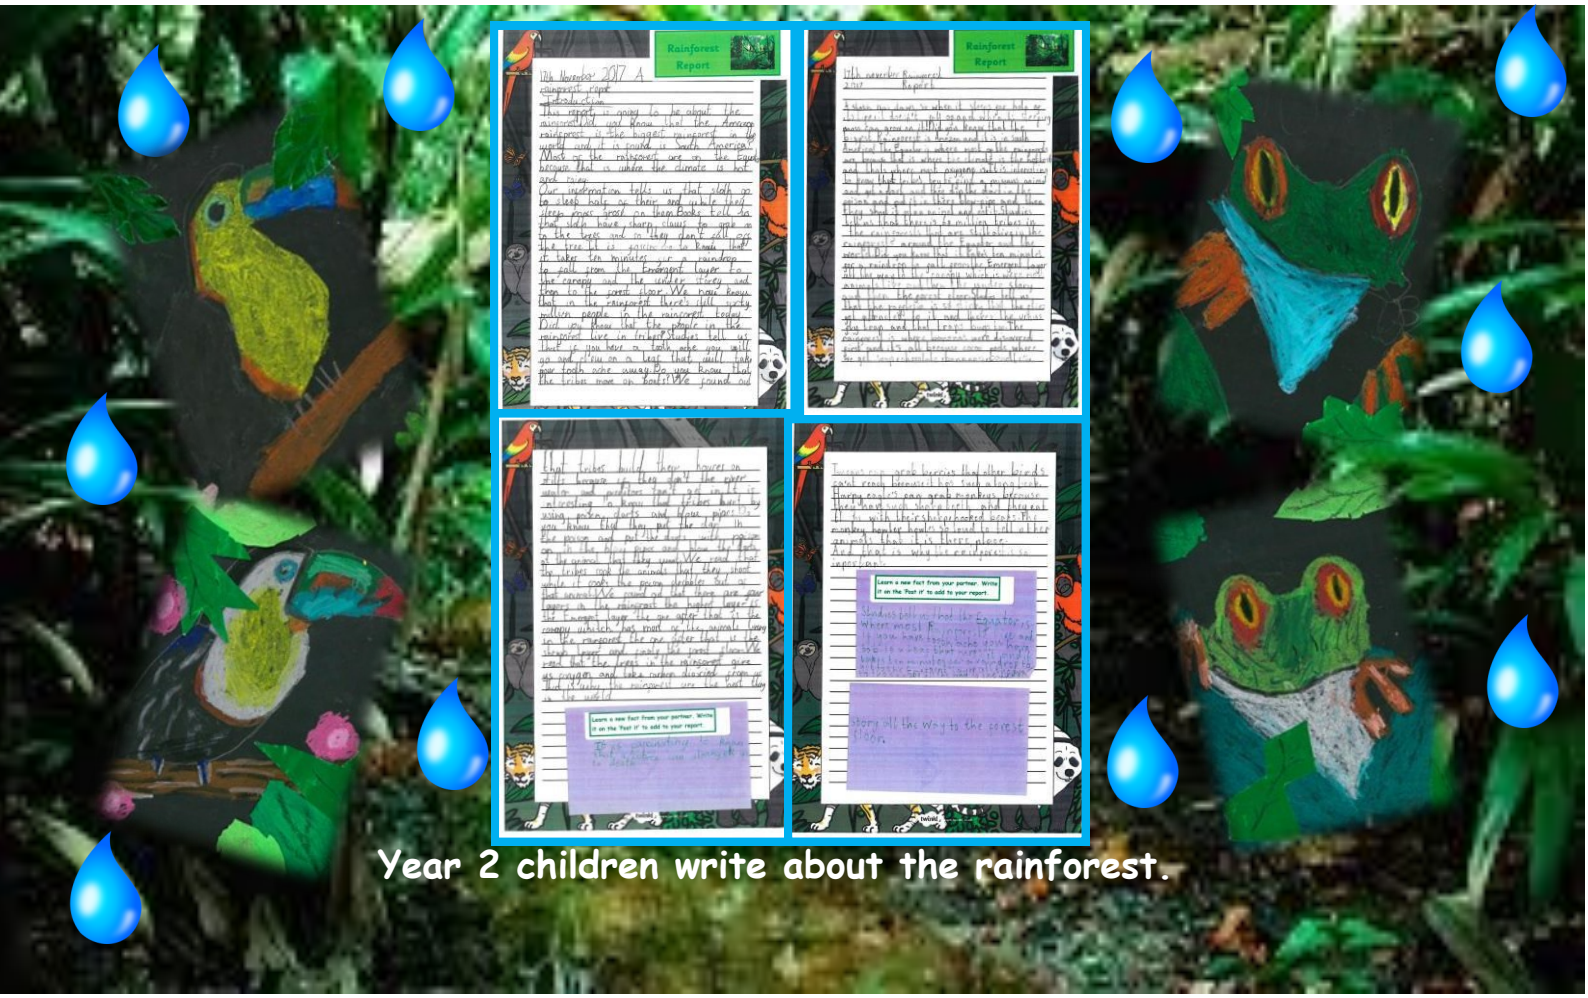

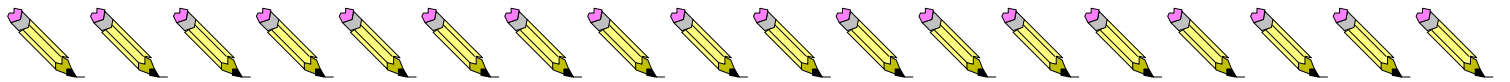

Christmas is almost upon us and the school has suddenly been converted in to a winter wonderland with twinkling lights and Christmas trees. It does look lovely! The children and staff are practising very hard for the many Christmas performances. We must politely ask parents that we can only accommodate 2 family members attending the performances, not two at each of them. The year 2 performance will bring a surprise in each performance, which we hope will add another dimension to the children's enjoyment.

Following the curriculum meeting for year 1 parents last week, the **year 1 phonics screen** will take place the week beginning **Monday 11th June 2018**. Children need to be in school this week as any absence is treated as a failure and the children will need to resit in year 2.

On Wednesday evening we shared children's writing with staff from Fulwell Juniors and from Ouston Primary school. This was a really positive occasion and a celebration of the achievement and very high standards of the children in all three schools.

The admission of Ouston Primary to the Trust still waits to happen—many of the difficulties have been resolved and we are hoping it will take place on 1st February, although it might be 1st March 2018.

Wendy Angus

<p><b>Rainforest Report</b></p> <p>The Amazon is the biggest rainforest in the world and it is found in South America. Most of the rainforest was on the Earth before that is when the climate is hot and sunny. The vegetation tells us that plants do sleep here on their own while they sleep they have their own way to get in the trees and in they don't all get the trees it is because in the Amazon that is where the monkeys are in a rainforest to call them the monkeys live in the canopy and the monkeys they and they live in the forest floor. We have seen that in the rainforest there's still many people in the rainforest today. Did you know the monkeys tell that if you have a tooth ache you will go and find a tree that will help you with your tooth ache. You know that the tribes live on the rainforest.</p> <p>Learn a new fact from your partner. Write it on the back of the card to your report.</p> <p>20</p>	<p><b>Rainforest Report</b></p> <p>The Amazon is the biggest rainforest in the world and it is found in South America. Year 2 children write about the rainforest.

Fun in

the snow!

## Sofia

Raffle tickets for the main raffle have been sent home now. We will also be selling raffle tickets for a bundle of toys, including some of this year's "must have" toys at the Christmas performances. All money raised from the raffle will be going towards the new garden area. Please support us if you can.

- Birthdays- up to 1/12/17**
- Congratulations children. We hope you have a very enjoyable day!
- Tomkin Garde Doucet
  - Jack Wilde
  - Oliver Willis
  - Finley Abraham
  - Harry Davie
  - Sophia Wormleighton
  - Riley Cowell
