## Mrs Angus's message...

Dear parents,

It has been a very busy, happy first fortnight of the new school year. It was a pleasure to welcome back excited children, full of many stories of what they had been doing over the summer break. They looked extremely smart in their new school uniform -many thanks to parents for your support with this.

Reception classes have managed extremely well with very few tears. Staff have worked very hard over the summer to ensure that classrooms are an exciting, well organised place to learn. You will find an elephant and a 6 foot ginger bread man have appeared to support the children's learning. The giraffe in the main entrance is providing an excellent point of reference as the younger children quickly learn their way around school.

This week we welcomed the nursery children for their first two settling in visits without parents. Wow! They have engaged incredibly well and again, only a few tears have been observed. Mrs Bell and the nursery team are thrilled!

Our 'Rainbow Club', offering breakfast and after school began in the new rainbow room. This has also been really successful and Miss Vipond, Mrs Pickford, Miss Cook and Mrs Nicholson tell me that it 'the place to be!' Breakfast club is now beginning at 8.45am. The nursery children will begin next week which will mean children from nursery to year 2 can enjoy their time together. The weather this week has offered lots of opportunities for outdoor play.

Wendy Angus

*We would like to remind you that we have 'meet the teacher' meetings coming up. If you are unable to attend, other family members are very welcome.*

## Parking...

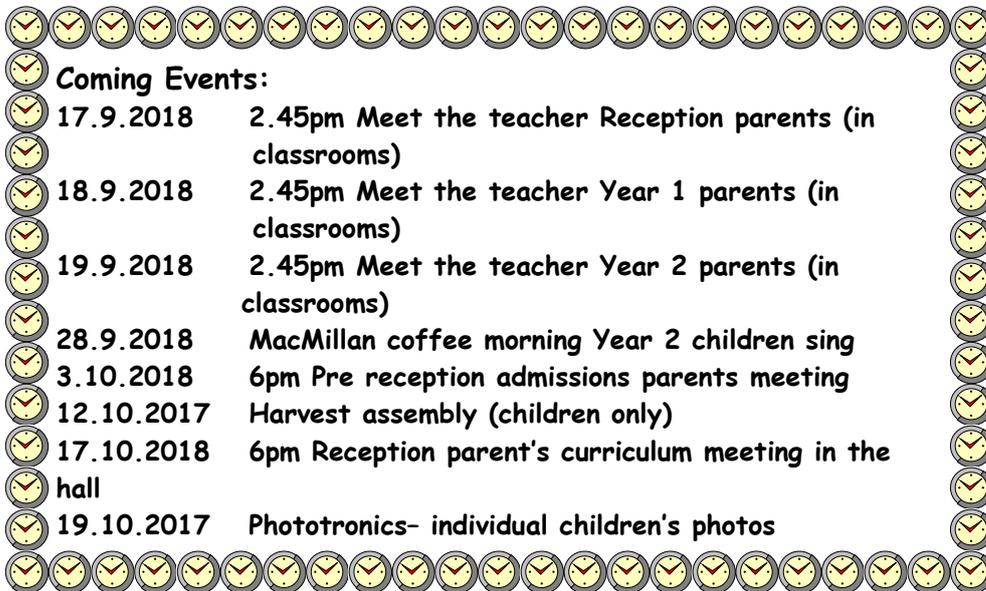

Please remember to take care when parking—the parking camera is often seen outside school. Please also be mindful of access to the medical centre and Peter Stracey house where lives can be saved when speedy access for emergency vehicles is possible.

Parents are reminded that the school car park is NOT for use at drop off and collect times.

## Happy first days in nursery and in school.

As you can tell from these photographs, the children are quickly getting used to life in school and nursery and have enjoyed some special moments this last fortnight.
