Mrs Angus's message...

Number 7
14th December 2018

Dear parents,

As Christmas approaches, there is great excitement in school. We have a number of mischievous elves who have been up to all sorts of tricks on a daily basis! The photos below reveal some of their antics...

Christmas nativities have been wonderful this week -well done children, we really enjoyed your telling of the Christmas story. Thank you to Doctor Renwick and the teachers for supporting the children to perform for us.

The year 2 choir sang in Sainsbury's on 6th December. They are a small group of enthusiastic singers who did really well and certainly enjoyed the occasion. Next week both year 2 and reception classes will visit different places -Year 2 will walk to Cuthbertson Court to sing for the residents and Peter Stracey House is the venue for the reception children to sing. It is lovely that the children are invited by the community to share a little bit of Christmas with a captive audience.

Next week sees Christmas parties and a drop in from a special visitor as the final week draws to a close. We wish all families a very **HAPPY CHRISTMAS** and look forward to hearing all about it in January.

A reminder -term starts on **TUESDAY 8th January 2019**

Wendy Angus

Meet the dippers...

SOFIA Supporters of Fulwell Infant Academy are taking part in this years Boxing Day Dip at Seaburn to raise money for a Sensory Area and Garden at the school. All monies raised will go towards converting an area of the school library into a sensory room and a currently disused outside space into a wonderful sensory garden that can be used by any child at a time when they need it – a supervised quiet space where they can be calm and reflective. Whilst some children have recognised special needs, others may – at times - b experiencing specific difficulties, such as bereavement or high levels of anxiety. Whatever the reason, the aim is to provide early support for your child at their time of need. 12 wonderfully kind parents and staff are planning on braving the icy North sea waters on December the 26th and would love you to donate to this very worthy cause.
