Mrs Angus's message...

Dear parents,

We were delighted to welcome the children back to school and begin this years journey! They very quickly settled into their new classes with year 2 taking the move from year 1 well in their stride. It was lovely to see lots of teacher smiles throughout the first two weeks when their personalities and quirky comments shine through!

Year 1 mums and dads are reassured (and we discussed this at length in assembly), the biggest step is from reception to year 1. From the freedom and short focused learning tasks that are individually supported in reception classes, year 1 necessarily becomes more formal. Every year this is a challenge and the staff are supporting the children throughout. Please don't worry -it does improve...

Following their excellent preparation in nursery, reception classes have taken the transition really well. They are confident, smiley and enjoying all the new opportunities. They are all taking part in the new national baseline which is a short 1:1 task with their teachers. You can see below a photo taken last Friday in their first music lesson with Brendon (now Dr Renwick) in which they anticipated the fun! We are thrilled to welcome the children who have joined us from other nurseries who are already making firm friendships and are an important part of every class.

Wendy Angus

We look forward to sharing with you our exciting adventures in the coming weeks.

We would like to remind you that we have 'meet the teacher' meetings coming up. If you are unable to attend, other family members are very welcome.

Parking...

Please remember to take care when parking—the parking camera is often seen outside school. Please also be mindful of access to the medical centre and Peter Stracey house where lives can be saved when speedy access for emergency vehicles is possible.

Happy first days at school.

As you can tell from these photographs, the children are quickly getting used to life in school and nursery and have enjoyed some special moments this last fortnight.
