Dear parent,

During the last fortnight we have been privileged to see both class 1 and class 2's assemblies for parents. The family attendance was great and the children loved to see their families in school. Class 1 children shared their love of books and reading and held the attention of their captivated audience as every child read part of their current text, *Gregory Cool...*

Class 2 introduced the theme of 'Climate Change' which will be a focus throughout school over the coming weeks. Living on the coast the children are passionate about protecting the sea creatures, the sea and the beach from plastics and rubbish.

Any parent who has some spare time would be very welcome to come into school and read with the children. The library provides a lovely place to share books and enjoy a story...

Over the last 2 weeks we have had Alex Hillary in school in year 2 classes. She led a session on stereotypes and boys and girls toys. We are hoping she will come back to year 1 classes where her session will be about resilience and respect.

Parents are reminded that **NURSERY REGISTRATIONS** are being taken for both this September and September 2021. The application form is available from the school office or the website and a birth certificate or passport is needed for identity.

SOFIA parents are planning the registration event for the Sunderland 3K run. This will take place on Friday 7th February at 3.30pm in the school hall. Last year, Fulwell Infant families made up 1/3 of those taking part. We are striving to do just as well this year...
