Mrs Angus's message...

Number 21  
17th July 2020

Dear parent,

We have eventually come to the end of an extraordinary year, a year in which we have lived through history in the making. It still seems difficult to believe that our lives necessarily became so restricted and we were confined to our homes for so many weeks. Whilst I love to walk, I became disillusioned by the same routes although now know so much more about the area in which I live.

The challenges were many for us all and often extremely challenging. Parents became teachers and teachers endeavoured to support daily in so many different ways. We discovered seesaw, which has become a firm favourite of staff and one that we will continue to use next term.

The gradual return to a 'new' normal was welcomed by us all, desperate to rediscover and appreciate many of the things we take for granted. As the children gradually returned to school, they impressed us so much with their resilience, ability to accept strange changes and just 'get on with it', smiling as they did so. Seeing their pure enjoyment at being with friends again created many special moments.

We were so sad to miss many of our favourite events -the dance festival, sports week, trips and visits to places of interest and those very special end of year performances.

**Seesaw log in's will expire on 13th August. In September, the children will all receive a new log in as the classes roll forward and they move to their next year.**

The plans for September are well underway and everyone is looking forward to having ALL the children back together again. Our September risk assessment will be published on the website during the holidays for parents to read.

Thank you to all families for their kind words and messages throughout this time. We hope that our communication skills improved and we were able to keep most families up to date with what was happening.

We would like to wish all families a safe and happy summer break. And look forward to seeing nursery, reception and year 1 children back in September. A special mention for our year 2 children who we know will thrive at Fulwell Juniors.

Finally, my thanks to all our staff who work so hard to ensure that your children are safe, happy and achieving the amazing things they do in their school work. They certainly deserve and have earned their summer break, even more than usual!

Happy holidays

Wendy Angus

Good  
luck  
children.

Happy  
days...

Enjoy  
the  
Juniors.
