Mrs Angus's message...

Number 1
11th September 2020

Dear parents,

We were delighted to welcome the children back to school in these strange times. Their smiling faces and excitement to be back in school have kept us going over the last 2 weeks. As the situation in Sunderland continues to worry everybody, we will endeavour to do the very best we can for your children and families in everything we do.

THANK YOU to parents who have taken children for COVID tests when they have had a cough, temperature etc. All tests have come back negative. We will be working with the Health Protection team if any positive results occur and will be instructed by them as to what must follow. In the meantime, your support with all the measures in place is invaluable. The staff team would like:

READING PACKETS provided by school or **Fulwell Infant reading folders** (navy blue only (no other bags) to be used as follows:

RECEPTION classes -daily use for children's drawings, letters etc

YEAR 1 classes—weekly, for reading books on a **FRIDAY only**. Books will be returned, changed and sent home all on Friday for COVID security. Please do not send on any other day.

YEAR 2 classes—weekly, for reading books on a **FRIDAY only**. Books will be returned, changed and sent home all on Friday for COVID security. Please do not send on any other day.

As things have settled this week, there will be no changes to collection arrangements unless it becomes necessary. Parents with child-minders who need to collect more than 1 child from the main entrance at 3pm are asked to confirm exactly which days are needed with their child's class teacher.

SEESAW

Children have received their new code for seesaw. This is to be used for homework, important class messages and for parents to upload any work completed at home. It is not going to be checked daily so any queries must be made by phone or at the door when dropping off. Seesaw will be used during any possible lockdown for teaching, as previously. Please install the app to ensure you don't miss important messages.

SOFIA parents are keen to support school in different ways during COVID times and we will be delighted this will be the case.

Wendy Angus

Happy Days around school
