

## Our Last Week in Nursery Summer

Friday 9<sup>th</sup> July 2021

Dear Parents,

We hope everyone is safe, well and have coped with the isolation period. We would like to thank those of you who have taken lateral flows, PCR's and have completed the 10 day isolation period to make it safe for everyone to return to Nursery on Monday 12<sup>th</sup> July. We would like to reiterate the letter that was sent last Friday with the recommendation that children should complete a PCR at the end of the isolation period. Whilst we know this is not pleasant for children we would like to emphasise it keeps everyone safe as we have vulnerable children and staff (many have not had their double vaccinations yet). We would ask that children returning to Nursery on Monday are fit and well and not taking any medicine so that we can run all events planned for our last week together.

All events will go ahead as planned next week – weather permitting. The current forecast for Tuesday is rain and if this is the case on the day we will have to cancel. Children will still work with Tiny Tweeties in the hall however we would not be able to accommodate parents indoors for this. The children's Learning Journeys will be coming home with them so you will see what they have been up to this year and their most recent book will go to their new Reception class (it will come home to you by Christmas).

We really hope you can support us with this as we know many of you will have plans for the holidays and we really don't want anyone to have to isolate and miss much deserved time with family and friends. We look forward to seeing you next week, with masks for events and socially distancing when queuing and taking part in the activities.

Thank you  
The Nursery Staff

## Nursery Party

We are wanting to celebrate the end of our time together in Nursery and have decided to hold parties for the children. Parties will be held across next week. We are aware that the rest of the school are wearing Sports clothes for the whole week, however we are asking the children in Nursery to wear usual uniform unless stated.

**Monday 12<sup>th</sup> July 2021 – Early Red group and Afternoon group Party Day** (children to come to Nursery wearing party clothes – all other children in uniform on this day)

**Thursday 15<sup>th</sup> July 2021 – Morning children, full time children and late green children Party Day during the morning session** (children to come to Nursery wearing party clothes – all other children in uniform on this day)

**Party clothes can be anything children wish to wear including dress ups!**

## Celebration Day!

This year we are holding a celebration day for children on **Tuesday 13<sup>th</sup> July 2021**.

We would ask only **one adult attends** and we would like to reassure you that children's learning journey's will come home to you in the Summer so that all the family can see the achievements, progress and experiences from across the year. We do like to inform parents that their most recent learning journey goes to Reception with them however this will come home to you in the Autumn term.

The music **session will be outdoors and we ask that you bring a blanket for you and your child** to sit on together. We ask that adults attending wear a mask, we know that this is an outdoor event however we are ensuring everyone is as safe as possible. Tiny Tweeties is amazing and the children love this so we hope you can enjoy the experience with your child. We have outlined the time below...

| Start Time | Tiny Tweeties session for...   | Learning journey's in the garden... |
|------------|--|-------------------------------------|
| 9.15am     | Mrs Goodall's Owl Group (Full Time Purple children)<br>Mrs Bell's Gruffalo Group (Early Red children)                  | 10.00am – 10.30am                   |

## Sports Day

Nursery Sports Day will be held on **Wednesday 14<sup>th</sup> July 2021** (weather and guidelines permitting). We have decided to change the format of our usual event and this year will be **providing each key worker group with a specified time to come and complete a series of activities with their adult** who is attending. We would encourage adults to wear suitable clothing and footwear so they can join in and children will wear their usual PE clothes that day. The equipment will be sprayed down after each session and we are asking children and their adults to sanitize before they complete each activity station.

We will still hold our running race at the end, there will be one for the adults as well. The races are all for a little bit of fun after what has been a challenging year for everyone!
